

19th April 2019

Informational Notice: DSB UAT brief FIX disconnect around Fri April 19 2019 7:53 PM UTC

Audience: DSB UAT FIX Users

This is an informational notice to DSB UAT FIX users who may have suffered a brief disconnection at approximately 7:53 PM UTC April 19th 2019. One UAT FIX server encountered high CPU utilization, we have restarted the FIX services to resolve the issue. The sessions that were briefly disconnected were reconnected immediately to an alternative FIX endpoint. The DSB is continuing to check the root cause of high CPU utilization, and will provide further information in due course.

If further assistance or clarification is needed regarding this notification please contact technical.support@anna-dsb.com.

Please contact technical.support@anna-dsb.com for all support & connectivity issues
